TESH is a project of the School and Child Health Program in the Division of Public Health in the NE Department of Health and Human Services ([www.dhhs.ne.gov/schoolhealth](http://www.dhhs.ne.gov/schoolhealth)) in partnership with the Nebraska Statewide Telehealth Network ([www.netelehealth.net](http://www.netelehealth.net)). **Goals of TESH are to:**

1. Offer high-quality, highly relevant continuing nursing education in child and school health topics using telecommunications technology;
2. Contribute to the development of collaborative relationships between local schools and local public health and medical providers; and
3. Identify and develop effective applications of telecommunications technology in school and community health settings to benefit children and families.
